Here is the maths for this week. Happy Mathsing!!!

Day 1 - How Many Legs

Starting With a Story Reception

Animal Patterns

Now we have got some of the different features of the animals it is time to put them into patterns. Can you identify the pattern? Remember its about picking out 1 feature of the animal not just looking at what that animal is!

05:53

Get the Activity

Day 1 - How Many Legs

Day 2 - How Many Legs

Starting With a Story Reception

Learning through Play

A helping hand to where our activities link in our schemes and the EYFS

Reception - Notes and guidance

Summer Progression

Addition and Subtraction Change → Adding more
→ Taking away

Number and Place Value Numbers to 20 → Counting to 20

Early Learning Goal
Children count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number.
They understand and explain: 'one to add and subtract two' and 'one to take away'.

Early Learning Goal -Shape Space and Measure
Children use everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects and to solve problems. They recognise, create and describe patterns.
