Week beginning 4th May

Follow this link and have a go at these 'White Rose' maths lessons. Each lesson has a mini powerpoint and activity.
Happy mathsing!

Day 1 - Hungry Caterpillar

Starting with a Story Reception

Learning through Play

A helping hand to where our activities link in our schemes and the EYFS.

Reception - Notes and guidance

Summer Progression

Summary: Exploring patterns → Making simple patterns → Exploring more complex patterns

Development matters: Shape space and Measure 10-60

Beginning to use mathematical names for 'solid 2D shapes and flat 2D shapes, and mathematical terms to describe shapes

Can describe their relative position such as 'behind' or 'next to'

Uses familiar objects and common shapes to create and recreate patterns and build models

Early Learning Goal: Shape Space and Measure

05:31

Get the Activity

Day 1 - Hungry Caterpillar

Day 2 - Hungry Caterpillar

Starting with a Story Reception

Other stories to support our caterpillar activities:

One Bear at Bertine
The Caterpillar
The Caterpillar
The Caterpillar

04:08

Get the Activity

Day 2 - Hungry Caterpillar

Day 3 - Hungry Caterpillar

Starting with a Story Reception

Talking Together

Explore your fruit bowl. How many of each fruit have you got in there? Can you look at different ways of combining amounts? For example what number do you get when you combine apples and bananas? Lemons and limes? How many bananas would I have if I had one less? Take it further and make some fruity patterns! What will be my next fruit?

03:59

Get the Activity

Day 3 - Hungry Caterpillar

Day 4 - Hungry Caterpillar

Starting with a Story Reception

Picnic Time

Have a look and see if you have any of the food the hungry caterpillar has to eat and make a picnic! Think about what you will need and how many people are going to come. (Past... it could be a picnic in the living room!)

03:44

Get the Activity

Day 4 - Hungry Caterpillar

Day 5 - Hungry Caterpillar

Starting with a Story Reception

Learning through Play

A helping hand to where our activities link in our schemes and the EYFS.

Reception - Notes and guidance

Summer Progression

Measurement: Measure → Length, height and distance

Development matters: Shape space and Measure 10-60

Orders two or three items by length or height

Uses familiar objects and common shapes to create and recreate patterns and build models

Uses everyday language related to time

Orders and sequences familiar events

Measures short periods of time in simple ways

Uses familiar objects and common shapes to create and recreate patterns and build models

Early Learning Goal: Shape Space and Measure

06:37
