

Here is the maths for this week. Happy Mathsing!!!

Day 1 - Olivers Vegetables

Starting with a Story Reception

Veggie print patterns
Earlier in our home learning we looked at the different prints different veggies could make. Now we want to look at more complex ideas using circular patterns and border patterns.

Day 1 - Olivers Vegetables

Day 2 - Olivers Vegetables

Starting with a Story

Talking Together
Look closely at the picture. Can you make some questions to ask a partner like we just did? How many plant pots? Do you see 10? How would you group them? How many seats have got people on them?

Day 2 - Olivers Vegetables

Day 3 - Olivers Vegetables

Starting with a Story

Talking Together
Can you tell Grandad how many more Oliver has planted?

First: Then: Now:

Get the Activity

Day 3 - Olivers Vegetables

Day 4 - Olivers Vegetables

Starting with a Story

Talking Together
Oliver has put a label on the crops from the garden, see if his labels are correct.
Could you make him a correct label?

05:32

Get the Activity

Day 4 - Olivers Vegetables

Day 5 - Olivers Vegetables

Starting with a Story Reception

Learning through Play
A helping hand to where our activities link in our schemes and the EYFS.
Reception - Notes and guidance

Summer Progression

Measurement and Distance → **Length, height and distance**

Measurement → **Measure**

Development matters - Shape space and Measure Y0-60
Orders two or three items by length or height

Early Learning Goal
Children count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number.

04-47 Add and subtract two

Early Learning Goal
Children use everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects and to solve problems. They recognise, describe and describe patterns.

04-47 Add and subtract two

Early Learning Goal
Children use everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects and to solve problems. They recognise, describe and describe patterns.
