

Home learning 15.06.20 'Princess Mirror Belle and the dragon pox.'

1. Can you make your own castle using shapes?
You may want to draw it, or you could make it using different 3d objects from around your home such as cereal boxes and loo rolls.

2. Can you spot the mistakes in the patterns? Can you draw them correctly?

Talking together

Can you count the spots on each girl and add them together?

Use the 10 frames to help you.

3. Can you count up how many spots are on each of the girls faces and add them together using the tens frames?

4. Can you remember how Princess Mirror Belle made the cure? Can you put them in the correct order?

Can you remember how Mirror-Belle tried to make a cure?
What did she use?

5. Can you look in a mirror and have a go at drawing your own reflection? Please add these to tapestry we would love to see them!
